

FULL DAY TOUR CASABLANCA AND RABAT EXPERT GUIDED SHORE EXCURSIONS

On arrival at the Port of Casablanca, which is located only a few minutes away from the city centre, you will be met by your expert guide and escorted in air conditioned transport around the city. We suggest a brief stop along the Corniche for a glass of freshly-squeezed orange juice overlooking the Atlantic Ocean before setting off to see the sights. Casablanca was established as a commercial centre by the French. The architecture is a mix of modern, art deco and the traditional. Your highlights of Casablanca include a visit of La Corniche on the ocean front and the remarkable Mosque Hassan II, one of only two mosques in Morocco open to non Islamic believers. Built by the late King Hassan II at the end of his 40-year reign, this astounding edifice is larger than Saint Peter's in Rome and capable of holding 80,000 worshippers.

Continue to Rabat, the diplomatic and administrative capital of Morocco which is located north-east of Casablanca on the Atlantic Coast at the mouth of the river Bou Regreg. The transfer to Rabat will take approximately one hour and fifteen minutes. Lunch will be served at typical Moroccan restaurant "Dinar Jate" or similar. Dinar Jate offers beautiful Moroccan decor, exceptional service and excellent food. You will feel as though you have been transported to the Arabian Nights...you have! After lunch you will visit the Mausoleum of Mohammed V which commemorates the Sultan who enabled Morocco to achieve independence, the incomplete Hassan Tower which is modeled on the famous Koutoubia minaret of Marrakech, and finally the Kasbah Oudaya and its gardens.

Later in the afternoon you will be escorted back to the Port of Casablanca where you will continue your onward journey.
